TRAFFIC SAFETY COMMISSION
November 17, 2012

COMMISSION PRESENT: John Nelson, Frank Pyles, Jim Bishop, Chuck Covert, Mike Kilkenny and John Layson.

ABSENT MEMBERS: Jamie Van Den Bosch

STAFF PRESENT: Dale McCabe – City Engineer, Bill Barrier – Transportation Manager, Tim McGlothlin – Council Representative, Dawn Marie Hert – Associate Planner, and Cindy Keever – Administrative Secretary

PUBLIC PRESENT: None

Chuck Covert moved to approve the minutes of the August meeting. Mike Kilkenny seconded the motion and the motion passed unanimously.

PUBLIC COMMENT/AUDIENCE PARTICIPATION/PRESENTATIONS:

None

OLD BUSINESS:

1) Update of Kelly Avenue Traffic Study

Dale McCabe gave an update regarding the Kittleson’s traffic study report and his progress regarding contacting the adjacent property owners.

2) Miscellaneous

Mike Kilkenny asked about the timeline for repairs of the asphalt on West 2nd Street in front of Casa El Mirador. Bill Barrier said he hoped to get something done during this season.

A discussion was held regarding the concrete crosswalks on 2nd Street and how badly the asphalt has grooved and the “speed bumps” that have been created.

Tim McGlothlin gave updates regarding the sidewalk permit on Trevitt, the visibility issues near the taco stand on Chenowith Loop and traffic issues and health permit requirements for the taco stand at the 9th and Trevitt intersection.

NEW BUSINESS:

1) Submittal of Project to ACTS Oregon for Brewery Grade Crosswalk Installation

A letter and pictures were passed around for members to look at regarding the Brewery Grade, 9th Street and Dry Hollow Road project. John Nelson wrote a story for the Oregon ACTS Traffic Safety Connections newsletter. John’s story and supporting pictures will be submitted for future publication.

2) Visibility Issues Exiting Alleys

A discussion was held regarding the visibility problems that are caused when vehicles park too close to outlets from alleys.

3) West Bound Traffic in Roundabout

Frank Pyles warned members to watch the west bound drivers that are entering the roundabout. West bound drivers accelerate to get in front of the traffic that is already in the roundabout, instead of yielding. Other commission member agreed they had experienced similar situations and expressed using caution.

There being no further business to come before the Commission, Chuck Covert moved to adjourn. Mike Kilkenny seconded the motion and the motion passed unanimously.
