**FOR RELEASE:** IMMEDIATELY

---

Starting May 13<sup>th</sup> through June 30<sup>th</sup>, 2019, Insituform Technologies will be installing pipe linings for the 2019 Sanitary Sewer CIPP Lining Project. The current phase of the project requires installing sewer main liners on various locations throughout the city, work hours will be between 7 am to 8 pm. Traffic control equipment including advanced warning signs and flaggers will be provided for public safety and traffic warnings.

On June 8<sup>th</sup> work will take place on Trevitt Street between 6<sup>th</sup> and 7<sup>th</sup> Street starting at 8 am until approximately 2pm. Please proceed with caution in these areas during construction and observe all temporary traffic control devices. Thank you for your assistance during this work.

Please do not hesitate to contact me if you have any questions or concerns regarding our scope of work. I can be reached via email at [jzimmerman678@aegion.com](mailto:jzimmerman678@aegion.com) or via telephone at (503) 931-3200.
