## **PRESS RELEASE**

**DATE:** November 12, 2019  
**TOPIC:** Street Maintenance Project Begins Today  
**CONTACT:** City of The Dalles Public Works Department (541) 296-5401  
**FOR RELEASE:** IMMEDIATELY

---

The City of The Dalles Public Works Department will begin a street maintenance project on Tuesday November 12, 2019 at the following location:

**West 2<sup>nd</sup> Street between Terminal Avenue and Webber Street – The westbound lane of West 2<sup>nd</sup> Street will be closed to all traffic during working hours from 7:00 a.m. to 3:30 p.m. at this location Tuesday November 12, 2019. Through traffic will be flagged to a single lane next to the construction zone. Expect delays.**

**The Oregon Department of Transportation will close I-84 Exit 84** because the City will be paving on West 2<sup>nd</sup> Street at the bottom of the westbound I-84 exit. ODOT has determined that the best safety option is to temporarily close that off-ramp, to prevent the possibility of accidents in the work zone.

Motorists, bicycles and pedestrians are asked to obey flagger signals through the work zone during work hours. The westbound lane will be reopened to the traveling public at the end of the working day.

Business access will be open at all times.

The purpose of this project is to repair failed sections of roadway. This street work is expected to restore the pavement structure and provide a smoother and safer roadway.

Please proceed with caution through the work area during work times and observe all temporary traffic control devices. Thank you for your assistance during this work.

Learn more about the 2019 The Dalles Pavement Preservation Program at [thedalles.org/transportation](http://thedalles.org/transportation). If you have questions, please contact the Public Works Department at (541) 296-5401.
